The Unimished Manuscript.

From the Atkansos Travellet.

Some time aga the writer visited by the form of things of the first of Little Rock, Ark, and while sitting in the fibrary, on gazed in convenzion with the enterplaning gentleman, observed a roll of manuscript field with a strip of black cloth. We asked bin a strip of black cloth. We asked bin at the sound fining designed for published, he said, and began to annel it. "See how if combined and glanning at the hotton of the last page we read the following: "While he set alone, deeply mossing, a heave passed the house, and "here the system broke off. Requesting, almost implorting the professor to tell as the listory of the currons manuscript, be finally consented.

I the first of Atkansos when I was a young man, the ught I set in way it is a ground as for whether that concern must be recognized as a legitimate business cutter and the following and the first points of the war, became rich and price. The company was get up at the close of the war, became rich and price of the war, became rich and price of the war, became rich and the sound finally test the question as to check the that concern must be recognized in the constituent of the war, became rich and price of the war, became rich was to be a subject to the content of the content of the content of the content of the mass of the same way to be attention to the nest shamely condition of the page of the war that the same page of the war that the some rich and the price of the war. The bank same is the process of the war that the price of the war orrestrion to LOTTERUS.

Last Hours of John Brown.

caused our to spring to my feet and reach from the room just in time to see a horse attached to a longer, dushing width toward my gate. A frightnest women was in the longer and I resemble in a pit my neumoscript away and divorted my self to my new acquaint amer; our friendship grow into love, and the property of the mounted manuscript, away and the years of happainess. I did not tell my wife for the mounteded manuscript, but my slay she found it and begged in the first had gone to first had gone to beek. I took up the form and was just in the net of spring the principle for my wife had gone to beek. I took up the prin and was just in the net of small first in for long and found first in the story and read it over. I would finish it for her sake. I took up the prin and was just in the net of small my first in formal my wife had gone to beek. I took up the prin and was just in the net of small first for her sake. I took up the prin and was just in the net of small first for her sake. I took up the prin and was just in the net.

"Have you ever aftempted since to make it is innown the first first the formal first in formal the story. I went to the dark, but not some my and adomning room aftercived for particular to the into a hear a noise or an adjoinance he was a long or an adjoinance he was been in avortable health and had committeed one of the horse deal. He had always been in avortable health and had committeed smeals."

"Do you caver expect to finish the story I' a specific for my again. It is impossable for my the try again. It is impossable for my t

"Do you ever expect to finish the story?"

"I expect to try again. It is impossible for me to remain superstitions even though I have a powerful cause for doing so. Of source all this world have happened even I I find not begun the story. I think that met I treeslay night, if I feel like it, I shall devote myself to the completion of the work for I desire to see it in print. Come in and see me start it off."

We were have show then Toeslay hight came, and even where for years the print came, and even grid professions were not sorry that something kept in saway. Early Wednesday morning we harried to the house where for years the print fore buying. He box proved to see rout sorry that something kept in saway. Early Wednesday morning we harried to the house where for years the print fore buying them. The worthy select mainty the story and had falled should be story and had falled deal. Some time clapsed before we had the courage to knock at the door. At last or rapped.

No answer.

Once more the

St. Johnsbury Clothing Company

comes to the front with the largest stock of

Ready-made Clothing,

Gents' Furnishing Goods and

Hats and Caps

ever before shown in the town of St. Johnsbury or state of Vermont. And we propose to sell this stock of goods at such low prices that we shall ever after this time be called

PUBLIC BENEFACTORS.

We have, ever since we opened this store, some eight years ago, had the name of sclling goods cheap. We have always sold goods cheap, but this fall we bought more goods than we intended, and they have got to be sold. Therefore, we say in good faith, that the people of St. Johnsbury and surrounding towns are going to own their goods in our line cheaper than they ever have before. And now, gentlemen, we will tell you what we have to show you when you visit our store. We have the largest line of Ready made Clothing for men and boys in the state. We have the most desirable line of Gents' Furnishing Goods,

UNDERWEAR AND NECKWEAR,

in the state. We have double the stock of Hats and Caps and four times the variety of styles of any other store in town. Big talk, but come in and see for yourselves. We have an immense line of Buffalo and Wolf Robes.

Buffalo and Coon Coats,

Unlined and Indian Tanned Buffalo Robes. Robes painted by the Noble Red Men of the plains. Horse Blankets, Lap Robes, Sweat Blankets, Street Blankets, Stable Blankets, and all of these goods are in our store to be **SOLD**.

By the way, we have a few more of those men's heavy

boots left, which we are selling at plank cost. Farmers, it will pay you to give us a call on those, as you will never buy boots so cheap again. We will not quote prices. All of these goods must be seen to be appreciated; but give us a call before you buy, and you will never regret it. Remember one thing, there is but one

FALL AND WINTER OF 1883-4.

E. B. MERRIAM & CO.

On Wednesday, Oct. 10, we shall open a large and complete stock of Dress Goods.

CLOAKS AND SMALL WARES,

Just purchased in New York and Boston markets for the fall trade of 1883. This being our first fall season in business our goods are all of recent purchase and of new and desirable styles. These goods have been purchased for eash and will be offered at correspondingly low prices. We would call the attention of all to some of the specialties mentioned below.

Dress Goods Department

In this department we are showing many new fabrics and shades such as satin soliels, shuddah cloths, cashmere and flannels in fine all wool goods, also full stocks of low and medium priced goods. In black goods we have a very full assortment of Henrietta Cloths, Drap, DeAlma, Ottomans, Cordurettes, India Serge, Satin Meveleaux, Beiges and Cashmeres, in which we show exceptional values.

SILKS AND VELVETS.

In this department our purchases have been very large and complete and we are offering black silks at \$1.00, \$1.25, \$1.50, \$1.75, \$2.00, \$2.25, \$2.75, \$3.00 and \$3.50 per yard, of the celebrated production of R. Savoie & Co. and Guinot & Co. We invite an inspection of this stock, feeling very con- taces, Feathers fident we can show superior goods at low prices. In velvets our purchases were made in August previous to the advance in prices and we are therefore enabled to offer velvets at old prices. We invite the closest inspection of this stock and prices. Also full assortment of satins and colored silks.

CLOAK AND SHAWL DEARTMENT.

We have fitted up a room to be used specially for the display of ladies' garments, and we shall open on Wednesday, Oct. 10, a very large and complete stock of Jersey Jackets, Ladies' Walking Coats, Dolmans, Circulars and Plush Garments, with fur, Astrachan and plush trimmings from three leading New York and Boston Manufacturers. Full line of Scotch Wool, Broche and India Stripe shawls.

Small Wares, Hosiery and Underwear.

We shall open a full line of small wares, trimmings, hosiery, gloves, underwear, etc., to which we invite your attention.

This entire stock will be offered for sale in the newly fitted store in Walker's block where every facility will be afforded customers to make satisfactory selections. Wire Staples and Punches.
